**Home Reading Environment, Emergent Literacy and Early Brain Development**

**Screen Time: Early Usage and Brain Function/Structure in Children**

- Horowitz-Kraus T, **Hutton JS**. Brain connectivity in children is increased by the time they spend reading books and decreased by the length of exposure to screen-based media. *Acta paediatrica (Oslo, Norway : 1992).* Apr 2018;107(4):685-693.
